2. B.O. (FB) No. 395/2012 (Estt.III/CR- Rules/2006) dated 18.02.2012.

ORDER

Kerala State Electricity Board has constituted two Departmental Promotion Committees namely DPC (Higher) and DPC (Lower) for recommending select list for promotion to various categories of posts in the *cadre* of officers. With effect from 1.4.2012, Board has implemented a Performance Appraisal Reporting system to evaluate the performance of officers. But such appraisal system has not so far been implemented for promotion from the posts of workmen category to officers' category. As the Board has started functioning in a corporate set up it is a need of the hour that the employees should be made competent enough to work in a competitive environment for which Board should start evaluate the ability of those candidates who are to be posted to the Middle Management Level also. Therefore it was suggested to have a Performance Appraisal Reporting system for promotion from the posts of workmen category to officers' category with immediate effect. Board has decided to collect Performance Appraisal Reports (PAR) of the workmen concerned, in a prescribed format (as given in the annexure Form I to this BO) from the immediately superior controlling officers of the workmen concerned. The employee concerned shall submit to his immediately superior controlling officer, a self appraisal report in brief with regard to the nature, quantity etc. of the works entrusted with him and as to his overall performance.

However since the PAR is being introduced among workmen category for the first time, the performance relating to the six months' period immediately prior to the date of reporting need only be reported, for this time. All other formalities presently being followed in the officer category including obtaining of vigilance clearance may be followed in these categories also. In future the guidelines for maintenance of PAR for workmen and officers will be modified suitably considering all aspects. Chief Engineer (HRM) will collect Performance Appraisal Reports (PAR) in the format prescribed in the annexure (Form I) to this BO, by circulating the proforma, among all the offices concerned. Chief Engineer (HRM) shall then place the PARs along with the other relevant details for consideration of the DPC (Lower) for recommending select list for promotion from the posts of workmen category to officers' category.
