No. CMD/GT-2023/Admn. Protection/2023

Date: 22.05.2023

DRAFT ADMINISTRATIVE PROTECTION LIST OF EMPLOYEES FOR THE GENERAL TRANSFER, 2023

Sub: Draft Administrative Protection List of employees for General Transfer 2023 – Publishing of – regarding.

Clause II (10) (p) of the Online General Transfer Guidelines B.O. (FTD) No. 84/2023 [PS1(A)/OLGT-2023/GL for Middle Level Officers] dated 27.02.2023 provides administrative protection for employees of KSEB Limited and the administrative protection list is to be published.

CMD has given repeated instructions since November 2022 to prepare a transparent system for granting administrative protection to ensure equal opportunity to all and do away the method of subjective selection.

The proposal was not forthcoming; therefore the Directors were instructed to submit the list of employees proposed for giving administrative protection in 3 formats (Format A, B & C) specifying the names of Critical Offices, Critical Seats, reason for considering as critical. **The Formats are enclosed for information.**

The next step is to identify suitable officers for the “ Critical Seats in Critical Offices”. This used to happen on subjective analysis. The Company has already developed a good index system to do transfer and posting, taking a clue from the same, it was suggested to have a zone of consideration by doing weightages to –

A. Education qualification

- B. Experience
- C. Additional skills acquired
- D. Performance

And prepare an index so that from among the zone the high index value officer can be taken up against the respective critical seat in the critical office.

However, the weightage grid is not developed so far and therefore to avoid further delays the selection suggested by the Directors are taken into consideration this FY and draft is put up for perusal of all.

The lists submitted by the Directors were scrutinized by taking into account the critical nature of these seats and the functioning requirements of the particular nature and the draft list of 400 employees is hereby published.

Complaints, if any, shall be intimated through the e-mail id: cehrm@kseb.in within 2 days.

On 25th May 2023, complaints, suggestions if any received will be considered in the FN and final lists will be published by 5 pm on 25th May 2023 and rest of the Transfer and Posting shall be done based on the guidelines through computerized system.

The future road map –

1. The HR section will continue working on the subject for next FY transfer and posting to further refine the process so that it is transparent and equitable for all.
2. The weightage system and index to identify the eligible officers to be filled in Critical Seats in Critical Offices to be worked out and publish in another two months.
3. Accordingly, a small module of software to be developed in another 2-3 months.
4. In FY 2024 all transfers shall be done as per the guidelines through Software system.

Suggestions from officers are solicited to strengthen the system of Transfer and posting.
